After the Contest, we

the event. This game
will be limited to a
certain amount due to
the time constraints of
the other events to

Moonglow will follow the
festivities with a visit to
their exquisite maze!
Who will be able to find
their way through, it will
be interesting to watch!!!

After the maze
inspires your mind and
whets your appetite, the
event area will open the
dining hall with a feast
meant for a king! There
will be a stage for those
who wish to share a
story, song, or poem.
Perhaps you'd like to
share what you are
thankful for! Let's
keep it short so all
can have a chance to
play! We welcome you
to share in food, drink
and thought!!!!

Trinsic has a surprise for
us and knowing them, it
will be spectacular! We
will fill in the blanks on
some of the details
throughout the week so
please keep watch!

The Grand Finale will be
orchestrated in the
Chicken Fight Arena!
There are two scenarios,
you may train your own
chicken and join an event
guild to challenge another,
or you maybe get a
battle chicken from the
ever purring Fire Kitten,
pit mistress of Golden
Fang. She will be offering
her services for the
evening. You will be given
the choice to name the
battle chicken but it will
remain in her capable
paws. There will
series of rounds that
will bring us to the

“Last Battle Chicken Standing.” A trophy and prize will be given to the 1st, 2nd and 3rd place winners.

Runes and invitations will be handing out periodically this week!! We hope you can join us and celebrate the holiday season with us.
